**Director of Biennial Services**

The 26th FIAP Colour Print Biennial has been hosted by PAGB, who represent photographic clubs from England, Scotland, Wales, Northern Ireland, the Channel Isles and the Isle of Man. Two of PAGB's local federations, the Scottish and Welsh, for historical reasons, do however enjoy separate membership of FIAP. PAGB last organized a FIAP Colour Print Biennial in 1998. It has been a pleasure for FIAP to work with the PAGB Board, which has carried out its many tasks in a fine professional manner, assisting national federations with their entries, to ensure as many participants as possible.

As the catalogue shows, this biennial enjoys many excellent collections from around the world, and FIAP congratulates the winners of the national competition, and the winners of the individual prizes.

We thank all participating countries for their contribution to make this an important international photographic event, and we hope that in the future we shall see even more collections in our FIAP Biennials.

**Finn Nielsen**

**Director of the FIAP Biennials Service**

La 26ième FIAP Biennale Papier Couleur a été organisée par la PAGB, qui représente des clubs photographiques de l'Angleterre, de l'Ecosse, du Pays de Galles, l'Irlande du Nord, les Isles Anglo-Normandes et l'île de Man. Deux fédérations locales de la PAGB, l'Ecosse et le Pays de Galles – pour des raisons historiques – sont aussi membres de la FIAP individuellement. La dernière fois que la PAGB a organisée une biennale papier couleur était en 1998. Cette fois il a été un grand plaisir pour la FIAP de travailler avec le Comité de la PAGB, qui a rempli les tâches nombreuses d'une manière très professionnelle en aidant les fédérations avec leur inscription pour assurer autant de participants que possible.

Comme on voit dans le catalogue, cette biennale jouit de bien des collections excellentes qui viennent de tous les coins du monde et la FIAP félicite les gagnants du concours national et tous ceux qui ont rapporté les prix individus.

Nous remercions tous les pays participants pour leur collaboration qui a assuré que la biennale soit une manifestation photographique internationale et importante. Nous espérons que nous verrons à l'avenir encore plus de collections dans nos biennales FIAP.

**Finn Nielson**

**President Photographic Alliance of Great Britain (PAGB)**

As President of the PAGB I was delighted with the opportunity for the PAGB to be chosen to run the 2015 FIAP Colour Print Biennial. Because of our close links it has also been a pleasure to have the assistance of our co-hosts the Scottish Photographic Federation (SPF) and the Welsh Photographic Federation (WPF), both in their own rights members of the FIAP family of countries.

This gives an added dimension to the final Exhibition as it will be exhibited in the three countries of England, Wales and Scotland; giving photographers in all three countries an opportunity to enjoy the wide range of photography from the 26 countries that entered this event.

I would like to thank the jury of Judges –

- Herbert Gmeiner EFIAP HonEFIAP (FIAP)
- Rod Wheelans FRPS MFIAP MPAGB HonPAGB (Scotland)
- Bob Moore HonFRPS AFIAP MPAGB HonPAGB (England)

They worked in concert & harmony throughout and the results reflect the quality of the work that the countries entered. The 220 prints that will grace the final Exhibition show the very best of International Photography in 2015. My congratulations go to Argentina who won this very close contest, their country and photographers must be very proud of their achievement.

I also need to pass my thanks to Dave Coates and his sub-committee who successfully organised this event and to the members of the PAGB Executive and their partners who attended on the day and made the whole event pass quickly, easily and with a smile.

Finally I need to praise our hosts from the Smethwick Photographic Society, Roger and Judith Parry who provided hospitality and refreshments of such high quality. It was up to quite high professional standards.

Thanks guys we couldn't have done it without you all helping!

I'm looking forward to an opportunity to run a further Biennial in years to come.

**Roy Thomas APAGB Hon. FWPF**

**President de l'Alliance Photographique de la Grande Bretagne (PAGB)**

En tant que président de l'Alliance Photographique de la Grande Bretagne (PAGB) j'étais très heureux que la PAGB a été choisie pour organiser la Biennale Papier Couleur de la FIAP en 2015.

A cause de nos liens très proches, c'est aussi un grand plaisir d'avoir eu le soutien de nos co-hôtes – la Fédération Photographique de l'Ecosse et du Pays de Galles, qui sont tous les deux membres de la grande famille internationale de la FIAP.

Je voudrais remercier chaleureusement les membres du jury:

- Herbert Gmeiner EFIAP Hon EFIAP (FIAP)
- Rod Wheelans FRPS MFIAP MPAGB APAGB (Scotland)
- Bob Moore HonFRPS AFIAP MPAGB APAGB (England)

Ils ont travaillé ensemble en harmonie et les résultats reflètent la haute qualité des images présentées par les pays. Les 220 images sélectionnées pour l'exposition montrent le plus haut niveau de la photographie internationale en 2015.

Je voudrais aussi remercier Dave Coates et son sous-comité qui ont bien réussi à organiser cette manifestation. Je remercie les membres du comité de la PAGB et leurs conjoints qui étaient présents et grâce auxquels la journée a déroulé très bien, facilement et en souriant.

Enfin il ne me reste que de féliciter nos hôtes de Smethwick Photographic Society, Roger et Judith Parry pour leur hospitalité et les rafraichissements de haute qualité. C'était tout à fait professionnel.

Merci mes amis sans votre soutien nous n'aurions pas pu le faire !

J'espère que nous aurons l'occasion à l'avenir d'organiser encore une Biennale FIAP.

**Roy Thomas APAGB Hon. FWPF**
