Dear photographic friends all over the world

On behalf of the Norwegian Photographic Society as host and Bekkalokket Photo club as organizer for the 27th FIAP COLOUR BIENNIAL 2017, we hope you will enjoy this catalog.

There were 20 countries participating in the digital category, and 19 countries participating in the printed category. The photographs from all the different countries team was exhibited in Norway at Nordic Light International Festival of Photography in Kristiansund. The exhibition was opened for the public from May 3 to 14.

It was a great pleasure to host the exhibition the first week and to inform the audience about FIAP and this exhibition. The audience was impressed by the quality on the images, and the coherence at the different team contributions.

We wish to thank all those who have make this event a success. Organizing an event such as this requires the help and assistance of many, and we would like to recognize those that give so freely of their time and effort both at club and at national levels.

Sincerely Yours

Chers amis photographes à travers le monde

Au nom de la Norwegian Photographic Society en tant qu'hôte, et de Bekkalokket Photoclub en tant qu'organisateur de la 27^{ème} FIAP BIENNALE COULEUR 2017, nous espérons que vous apprécierez ce catalogue.

Il y avait 20 pays participant dans la catégorie numérique et 19 pays participant à la catégorie imprimée. Les photographies de toutes les équipes des différents pays ont été exposées en Norvège au Festival international de la photographie Nordic Light à Kristiansund. L'exposition a été ouverte au public du 3 au 14 mai. C'était un grand plaisir d'accueillir l'exposition la première semaine et dans ce cadre de pouvoir informer le public sur la FIAP et sur cette exposition. Le public a été impressionné par la qualité des images et la cohérence dans la contribution des différentes équipes.

Nous tenons à remercier tous ceux qui ont fait de cet événement un succès. L'organisation d'un événement comme celui-ci nécessite beaucoup d'aide et d'assistance, ainsi nous aimerions reconnaître ceux qui donnent si librement de leur temps et qui s'investissent au niveau des clubs aussi bien qu'au niveau national.

Cordialement

Roald Synnevåg
MFIAP EFIAP-P
President 27 FIAP Colour biennial 2017

The 27th FIAP Colour Biennial 2017.

It is with great pleasure that I introduce this 27th FIAP Colour Biennial 2017, hosted by the Norwegian Photographic Society and Bekkalokket Photoclub.

It is the first time, that the two former FIAP Biennials, The Colour Print Biennial and the Projected Image Biennial, has merged to one FIAP Colour Biennial.

The consequence is of course also, that the task of hosting this Colour Biennial has been more comprehensive than just hosting one of the former biennials, and FIAP appreciate very much, the competent way the organizers managed this challenge.

This catalogue shows the photographic result of the biennial, paying tribute to all participating national organisations, their photographers and their artistic work. Not only is the high quality of many photos visible - for the first time, as all photos are shown as thumbnails, it is now possible to evaluate the coherence of the collections.

FIAP congratulates all biennial participants, the winners of the national competition as well as the winners of all the individual prizes.

Finn Nielsen
Director of FIAP Biennials Service

27e Biennale Couleur FIAP 2017.

Nous avons l'immense plaisir de vous présenter cette 27e Biennale Couleur FIAP 2017, organisée par la Norwegian Photographic Society (Société photographique norvégienne) et le Bekkalokket Photoclub.

Pour la première fois, les deux anciennes Biennales FIAP, la Biennale Couleur Imprimé et la Biennale Image projetée ne formeront qu'une seule et même Biennale Couleur FIAP.

Ce projet de fusion vient également corser l'organisation de cette Biennale Couleur et la FIAP apprécie particulièrement l'efficacité des organisateurs ayant mis sur pied cet événement ambitieux.

Ce catalogue expose les performances photographiques de la biennale, rendant hommage à toutes les organisations nationales participantes, leurs photographes ainsi que leur œuvre artistique. Non seulement la qualité de nombreuses photos est désormais visible - pour la première fois, puisque les photos apparaissent sous forme de vignette - mais il est en outre possible d'évaluer la pertinence des collections.

La FIAP félicite tous les participants à la biennale, les lauréats du concours national ainsi que les gagnants des tous les prix individuels.

Finn Nielsen
Directeur FIAP Biennials Service
