LUIS FRANKE

MFIAP, ESFIAP, EFIAP/d3

Director of the FIAP Biennial Service

Nous sommes dans une autre année où le monde continue de vivre une situation très spéciale qui nous a forcés à nous adapter à de nouvelles formes d'interaction et a modifié beaucoup de nos projets. Malgré cela, l'activité photographique s'est adaptée et a été renforcée de nombreuses façons. La preuve en est la participation importante à la 29e Biennale FIAP couleur. Quarante-six pays de tous les continents y ont participé, un nombre jamais atteint auparavant dans une Biennale Couleur. Je suis très reconnaissant à tous les participants qui, grâce à leurs efforts, ont contribué à améliorer cet événement.

C'est un grand plaisir de présenter ce catalogue où vous trouverez non seulement les images gagnantes mais aussi une sélection d'images de chaque pays participant montrant la diversité des thèmes qu'ils ont choisis. Félicitations aux vainqueurs de la Coupe du Monde : la Grande-Bretagne dans la section imprimée et la Fédération de Russie dans la section numérique.

Une mention spéciale à l'équipe organisatrice sous la direction de Dominique Gastaldi et des jurys. Ils ont tous fait de grands efforts pour mener à bien cet événement malgré les restrictions imposées par la pandémie de COVID-19. Merci beaucoup pour votre travail acharné!

Profitez de ces images et j'ai hâte de vous voir à la prochaine biennale de la FIAP!

*Directeur du service
biennale de la FIAP*

We are in another year in which the world continues to experience a very special situation that has forced us to adapt to new forms of interaction and has modified many of our projects. Despite this, the photographic activity has also been able to adapt and has been strengthened in many ways. Proof of this is the important participation in the 29th FIAP Colour Biennial. Forty-six countries from all continents took part, a number that has never been reached before in a Colour Biennial. I am very grateful to all the participants who, with their efforts, have contributed to enhance this event.

It is a great pleasure to present this catalogue where you will find not only the winning images but also a selection of images from each participating country showing the diversity of themes they have chosen. Congratulations to the World Cup winners: Great Britain in the print section and the Russian Federation in the digital section.

A special acknowledgement to the organising team under the leadership of Dominique Gastaldi and the juries. They have all made a great effort to carry out this event under the restrictions imposed by the Covid pandemic. Thank you very much for your hard work! Let's enjoy these images and I look forward to seeing you at the next FIAP Biennial!

JEAN SALEILLES

AFIAP, EsFIAP, MFCF, JAFCE, HonFCF, ECEF, JBCEF, RISF2

President of Fédération Photographique de France

Une Biennale FIAP en pleine pandémie de Covid, il fallait le faire et grâce à la confiance de Luis Franke, Directeur des Biennales FIAP qui a demandé à la Fédération Photographique de France, de l'organiser cela a pu se réaliser. Et la région Rhône-Alpes et le club de Cognin sont venus relever le défi !! Après des sélections par les commissaires nationaux, le soutien du département compétition et la présence de l'Officier de liaison FPF, cette manifestation a été possible. Je veux remercier tous ceux qui viennent de permettre ce résultat et particulièrement Dominique Gastaldi président de la région, et les gens présents et disponibles à Cognin. Grâce à eux, une belle page FPF vient de s'écrire.

Un événement de ce niveau ne peut se faire sans la participation d'auteurs venus du monde entier et pas moins d'une quarantaine de pays étaient présents lors de cette Biennale Couleur. Merci à eux, quel bonheur de voir ces productions! Les photos sont venues témoigner de la richesse créative de chaque pays. Les compétitions étaient jugées par trois juges internationaux : Julia Wimmerlin d'Ukraine, Marco Zurla d'Italie et Joan Burgues l'Andorran. Ils ont pu apprécier durant le weekend plus de 1000

photos avec les thèmes les plus variés.

Bravo à la Fédération Russe et à celle de Grande-Bretagne pour leurs premières places, et félicitations à tous les participants présents pour cette XIXème Biennale.

Je veux remercier Luis Franke, Riccardo Busi et le Conseil d'Administration de la FIAP pour nous avoir permis de relever ce défi. Je souhaite à la FPF d'être présente lors des prochaines biennales et continuer ainsi à partager ces moments avec les passionnés du monde entier.

Les photos de la Biennale seront présentées lors d'une exposition qui se tiendra début Octobre chez le club organisateur de Cognin et la Région Rhône-Alpes, aussi je vous invite à nous y rejoindre, l'amitié et la passion y seront présentes.

Avec mes remerciements renouvelés et l'engagement de toute une Fédération,

Jean Saleilles,

A stylized, handwritten signature in black ink, consisting of several overlapping loops and a long horizontal stroke extending to the right.

Président de la Fédération Photographique de France

A FIAP Biennial in the middle of the Covid pandemic, it was a challenge and thanks to the confidence of Luis Franke, Director of the FIAP Biennials who asked the French Photographic Federation (Fédération Photographique de France) to organize it, it was possible to realize this. And the Rhône-Alpes region and the Cognin club have come to take up the challenge! After selection by the national commissioners, the support of the competition department and the presence of the FPF Liaison Officer, this event was possible. I want to thank all those who have just allowed this result and especially Dominique Gastaldi president of the region, and the people present and available in Cognin. Thanks to them, a beautiful FPF page has just been written.

An event of this level cannot be done without the participation of authors from all over the world and no less than forty countries were present at this Color Biennial. Thank you to them, what a joy to see these productions! The photos were a testimony to the creative richness of each country. The competitions were judged by three international judges: Julia Wimmerlin of Ukraine, Marco Zurla of Italy and Joan Burgues of Andorra. During the weekend they have been able to

enjoy more than 1000 photos with the most varied themes.

Congratulations to the Russian and Great Britain Federations for their first places, and congratulations to all the participants present for this XIXth Biennale.

I would like to thank Luis Franke, Riccardo Busi and the FIAP Board of Directors for allowing us to take up this challenge. I wish the FPF to be present at the next biennials and continue to share these moments with enthusiasts from around the world.

The photos of the Biennial will be presented during an exhibition that will be held in early October by the organizing club of Cognin and the Rhône-Alpes Region, so I invite you to join us, friendship and passion will be present.

With my renewed thanks and the commitment of an entire Federation

Jean Saleilles,

*Président of Fédération
Photographique de France*

DOMINIQUE GASTALDI

President of the UR11 (Rhône-Alpes) of the Fédération Photographique de France (FPF)

President of the Biennial Organizing Committee

Lorsque j'ai entendu le président de la FPF, Jean Saleilles, parler d'organiser une Biennale FIAP en France, j'ai immédiatement annoncé que notre région était candidat pour recevoir cet événement.

J'étais sûr que je serais suivi par les adhérents de l'UR, en pensant particulièrement à mes amis du Club de Cognin. Je ne m'étais pas trompé, et c'est avec enthousiasme que nous nous sommes engagés, ensemble, dans cette aventure.

La situation sanitaire ne nous a pas aidés, mais nous y sommes arrivés !

C'est avec fierté que nous vous présentons ce catalogue, qui veut également retranscrire l'honneur qui nous a été fait par la FIAP et la FPF de nous confier l'organisation de cette Biennale.

Je remercie toutes les personnes qui se sont investies dans cette organisation. Les citer toutes serait trop long, mais elles se reconnaîtront !

Dominique Gastaldi,

*Président de l'UR11 (Rhône-Alpes)
Président du Comité d'organisation de
la Biennale*

When I heard the president of the FPF, Jean Saleilles, talk about organizing a FIAP Biennial in France, I immediately announced that our region was candidate to receive this event.

I was sure that I would be followed by the members of the UR, especially thinking of my friends from the Club de Cognin. I was not mistaken, and it is with enthusiasm that we embarked, together, in this adventure.

The health situation did not help us, but we did it!

It is with pride that we present this catalogue, which also wants to transcribe the honor that was made to us by the FIAP and the FPF to entrust us with the organization of this Biennale.

I would like to thank all the people involved in this organization. Quoting them all would be too long, but they will recognize each other!

Dominique Gastaldi,

*President of the UR11 (Rhône-Alpes)
President of the Biennial Organizing
Committee*

RODOLPHE DEMONGEOT

PIERRE-MARIE GAURY

Co-president of Club Photo de Cognin

Nous recevons régulièrement des compétitions de la FPF dans notre club. Quand nous avons appris que nous pourrions recevoir une compétition internationale de la FIAP, les adhérents du club et ses dirigeants ont été immédiatement enthousiastes.

La FPF, l'Union Régionale nous ont fait confiance, nous ont aidés bien sûr et nous les en remercions. Nous ne devons pas oublier de remercier la municipalité de Cognin qui nous a apporté son soutien et son aide logistique, ainsi que tous les membres de notre club, compte tenu de la période particulière que nous subissons tous.

C'était une belle aventure dont nous sommes très fiers, que nous partageons avec tous les participants de près ou de loin à cette compétition ainsi qu'avec tous les photographes de la région.

Rodolphe Demongeot
et Pierre-Marie Gaury,

Co-présidents du Club Photo de Cognin

Our club regularly hosts FPF competitions, so when we learnt that we could host an international FIAP competition, both club members and management team were immediately enthusiastic.

The FPF and the Union Régionale trusted us and we are very grateful for their help. We also thank the Cognin town council who supported us, especially from a logistical point of view, as well as all club members, in spite of the unprecedented crisis we are all going through.

It has been a great adventure we all take pride in. It was wonderful to share it with everyone involved in the competition near and far, as well as with all local photographers.

*Rodolphe Demongeot
et Pierre-Marie Gaury,*

Co-presidents of Club Photo de Cognin
