21st FIAP NATURE BIENNIAL ADANA/TÜRKİYE 2022

It is with great pleasure that I present the catalogue of the 21st FIAP Nature Biennial. Art and nature have come together to allow photographers to show us all the beauty of the natural world. Fauna, flora and landscapes masterfully captured by their cameras.

In this edition, I was part of the jury and was pleasantly surprised by the quality of the works submitted. High-quality photographs, which demonstrate a great knowledge of the natural world and the best photographic techniques to be reproduced in images. The evolution of nature photographers is constantly progressing. Congratulations to all participants and especially to the winners!

The winners of the FIAP World Cup, Great Britain in the print section and Russia in the digital section, presented beautiful collections with a great overall coherence. It is a sign that a lot of hard work has gone into achieving the best results.

I would also like to thank the organisers for their commitment to organising this event and the jurors who assisted me in the difficult task of selecting the winning images.

Luis FRANKE, MFIAP, EFIAP/d3,

Director of the FIAP Biennial Service

C'est avec grand plaisir que je vous présente le catalogue de la 21e Biennale Nature de la FIAP. L'art et la nature se sont unis pour permettre aux photographes de nous montrer toute la beauté du monde naturel. Faune, flore et paysages capturés de façon magistrale par leurs appareils photo.

Pour cette édition, je faisais partie du jury et j'ai été agréablement surpris par la qualité des œuvres présentées. Des photographies de haut niveau, qui démontrent une grande connaissance du monde naturel et des meilleures techniques photographiques à reproduire en images. L'évolution des photographes de nature ne cesse de croître. Félicitations à tous les participants et surtout aux gagnants!

Les gagnants de la Coupe du monde de la FIAP, la Grande-Bretagne dans la section papier et la Russie dans la section numérique, ont présenté de belles collections avec une grande cohérence d'ensemble. C'est le signe que beaucoup de travail a été fait pour obtenir les meilleurs résultats.

Je tiens également à remercier les organisateurs pour leur engagement dans l'organisation de cet événement et les jurés qui m'ont accompagné dans la difficile tâche de sélectionner les images gagnantes.

21. FIAP Doğa Bienali kataloğunu sunmaktan büyük mutluluk duyuyorum. Sanat ve doğa, fotoğrafçıların bize doğal dünyanın tüm güzelliğini göstermesini sağlamak için bir araya geldi. Fauna, bitki örtüsü ve manzaralar bu fotoğrafçıların kameraları tarafından ustaca yakalandı.

Bu doğa bienalinin jürisinde yer aldım ve sunulan eserlerin kalitesi beni hoş bir şekilde şaşırttı. Doğal dünya hakkında büyük bir bilgi birikimini ve görüntülerde yeniden üretilecek en iyi fotoğraf tekniklerini gösteren yüksek kaliteli bir şekilde fotoğraflandı. Doğa fotoğrafçılarının evrimi sürekli ilerliyor. Tüm katılımcıları ve özellikle kazananları tebrik ederim.

FIAP Dünya Kupası'nın galipleri, baskı bölümünde İngiltere ve dijital bölümde Rusya, büyük bir bütünlük içinde güzel koleksiyonlar sundular. Bu, en iyi sonuçları elde etmek için çok çalışmanın harcadığının bir işaretidir.

Ayrıca organizatörlere, bu etkinliği organize etmeye kararlı oldukları için ve kazanan resimleri seçme gibi zorlu bir görevde bana yardımcı olan jüri üyelerine teşekkür etmek istiyorum.

Dear photography friends,
As the President of a federation that has held an international event on behalf of FIAP, I convey my greetings. Turkish Photographic Art Federation, whose short name is TFSF, is celebrating its 20th birthday this year. For this reason, we started a series of activities at the national and international level. This event has a special importance as it is the first international event in this process.

I would like to thank TFSF FIAP Representative Alperen AKHARMAN, who made very important contributions to the realization of this, for his dedication, sense of duty and contribution, and to the Mayor of Aladağ, Mr. Mustafa Akgedik, who provided the most important support and contribution in the realization of this event, as in many photography events in our region.

And I would like to thank my dear friend Joan Burgues Martisella, Vice President of FIAP and Luis Albert Franke, the Director of FIAP Biennials who came from Argentina last month, and convey my love to FIAP President Riccardo Busi for their support behind all this.

I would like to express my gratitude to Ali Samei from Iran and Petar Sabol from Croatian, who did not break us down for the Selection Committee meeting.

This beautiful event that took place on behalf of Turkey was made possible by these names and the determined attitude and support of the TFSF Board of Directors. By the way, I would like to thank them as well as the chairman. Love and respect.

Dr.Sefa Ulukan,EFIAP, ESFIAP
Chairman of the Board of TFSF

Chers amis photographes,
En tant que Président d'une fédération qui a organisé une manifestation internationale au nom de la FIAP, je vous transmets mes salutations.

La Fédération turque d'art photographique, dont le nom abrégé est TFSF, fête cette année son 20e anniversaire. Pour cette raison, nous avons lancé une série d'activités au niveau national et international. Cet événement revêt une importance particulière car il s'agit du premier événement international dans ce processus.

Je tiens à remercier le représentant TFSF FIAP, Alperen AKHARMAN, qui a apporté une contribution très importante à la réalisation de cela, pour son dévouement, son sens du devoir et sa contribution, et au maire d'Aladağ, M. Mustafa Akgedik, qui a apporté le soutien le plus important. et contribution à la réalisation de cet événement, comme dans de nombreux événements photographiques de notre région.

Et je voudrais remercier mon cher ami Joan Burgues Martisella, Vice-Président de la FIAP et Luis Albert Franke, le Directeur des Biennales FIAP qui sont venus d'Argentine le mois dernier, et transmettre mon amour au Président de la FIAP Riccardo Busi pour leur soutien derrière tout cela.

Je voudrais exprimer ma gratitude à Ali Samei d'Iran et à Petar Sabol de Croatie, qui ne nous ont pas séparés pour la réunion du Comité de sélection. Ce bel événement qui a eu lieu au nom de la Turquie a été rendu possible grâce à ces noms et à l'attitude déterminée et au soutien du conseil d'administration de TFSF. En passant, je tiens à les remercier ainsi que le président. Amour et respect.

Dr Sefa Ulukan,EFIAP, ESFIAP
Président du conseil d'administration de TFSF

Değerli fotoğraf dostlarımız,
Sizlere FIAP adına uluslararası bir etkinliği gerçekleştirmiş bir federasyonun başkanı olarak selamlarımı iletıyorum.

Kısa adı TFSF olan Türkiye Fotoğraf Sanatı Federasyonu bu yıl 20 yaşını kutluyor. Bu nedenle ulusal ve uluslararası düzeyde bir dizi etkinliklere başladık. Bu etkinlik bu süreçteki ilk uluslararası olması nedeniyle ayrı bir öneme sahip.

Bunun gerçekleşmesinde çok önemli katkılar sağlayan TFSF FIAP Temsilcisi Alperen AKHARMAN'a gösterdiği özveri, görev bilinci ve katkıları için, ve bölge- mizdeki birçok fotoğraf etkinliğinde olduğu gibi bu etkinliğin gerçekleşmesinde de en önemli destek ve katkıyı sağlayan Aladağ Belediye Başkanı Sayın Mustafa Akgedik'e huzurunuzda teşekkür etmek istiyorum.

Ve uzaklardan, İspanya'dan Adana'mıza gelen değerli dostum FIAP Başkan Yardımcısı Joan Burgues Martisella ve geçen aylarda Arjantin'den kalkıp gelen FIAP Bienaller Direktörü Luis Albert Franke'ye teşekkür ediyorum ve tüm bunların arkasındaki destekleri için FIAP Başkanı Riccardo Busi'ye sevgilerimi iletıyorum.

Seçici Kurul toplantısı için bizleri kırmayıp Adana'ya İran'dan gelen Ali Samei ve Hırvatistan'dan Petar Sabol'a şükranlarımı iletıyorum.

Türkiye adına gerçekleşen bu güzel etkinlik bu saydığım isimler ve TFSF Yönetim Kurulunun kararlı tutumu ve verdiği destek ile oldu, bu arada başkan olarak onlara da ayrıca teşekkür ederim.

Sevgi ve saygılarımla.

TFSF Yönetim Kurulu Başkanı

21st FIAP NATURE BIENNIAL ADANA/TÜRKİYE 2022

Dear friends,
In addition to its power to create public opinion, photography is also an effective power due to the universality of its language.

Especially recently, as Aladağ Municipality, the national and international activities and collaborations we have made with The International Federation of Photographic Art (FIAP) and the Photographic Art Federation of Türkiye (TFSF) have made serious contributions to the promotion and development of our region.

As Aladağ Municipality, we are happy and proud to be a part of this event and to contribute to bringing the Nature biennial, one of the most prestigious events of the international photography arena, to Turkey and our city Adana, one of the International Photography Federation "FIAP" biennials.

I congratulate all the participants in the 21st FIAP Nature Biennial catalog, which was created with the participation of nature photographers from different countries of the world and where magnificent works are exhibited.

As Aladağ Municipality, we will continue to support and contribute to the art of photography. I congratulate everyone who contributed to this wonderful organization and leave you alone with the works in this wonderful catalogue.

Love and respect,

Mustafa AKGEDİK

Chers amis,
Outre son pouvoir de créer l'opinion publique, la photographie est aussi un pouvoir effectif par l'universalité de son langage.

Surtout récemment, en tant que municipalité d'Aladağ, les activités et collaborations nationales et internationales que nous avons menées avec la Fédération Internationale De L'art Photographique (FIAP) et la Fédération Turque De L'art Photographique (TFSF) ont apporté de sérieuses contributions à la promotion et au développement de notre région.

En tant que municipalité d'Aladağ, nous sommes heureux et fiers de faire partie de cet événement et de contribuer à amener la biennale Nature, l'un des événements les plus prestigieux de l'arène internationale de la photographie, en Turquie et dans notre ville Adana, l'une des fédérations internationales de la photographie. Je félicite tous les participants au catalogue de la 21e Biennale Nature FIAP, qui a été créé avec la participation de photographes de la nature de différents pays du monde et où de magnifiques œuvres sont exposées.

En tant que municipalité d'Aladağ, nous continuerons à soutenir et à contribuer à l'art de la photographie. Je félicite tous ceux qui ont contribué à cette merveilleuse organisation et vous laisse seul avec les œuvres de ce merveilleux catalogue.
Amour et respect,

Mustafa AKGEDİK

Sevgili arkadaşlar,
Fotoğraf, kamuoyu oluşturabilme gücünün yanında, dilinin evrenselliği sebebiyle de etkili bir güçtür.

Özellikle son zamanlarda Aladağ Belediyesi olarak, Uluslararası Fotoğraf Federasyonu (FIAP) ve Türkiye Fotoğraf Sanatı Federasyonu (TFSF) ile yaptığımız ulusal ve uluslararası etkinlikler ve işbirlikler, bölgemizin tanıtımına ve gelişmesine ciddi katkıları olmuştur.

Uluslararası fotoğraf arenasının en prestijli etkinliklerinden biri olan Uluslararası Fotoğraf Federasyonu "FIAP" bienallerinden, Doğa biennialin yaklaşık 40 yıl sonra tekrardan Türkiye'ye ve şehrimiz Adana'ya getirilmesinde Aladağ Belediyesi olarak katkıda bulunmaktan ve bu etkinliğin bir parçası olmaktan dolayı mutlu ve gururluyuz.

Dünyanın farklı ülkelerinden doğa fotoğrafçılarının katılımı ile oluşturulan ve muhteşem eserlerin sergilendiği 21.FIAP Doğa Bienali kataloğunda yer alan tüm katılımcıları tebrik ediyorum.

Aladağ Belediyesi olarak bundan sonra da fotoğraf sanatına olan desteklerimize ve katkılarımıza devam edeceğiz. Bu gharika organizasyonda emeği geçen herkesi tebrik ediyor ve bu harika katalogta yer alan eserlerle sizleri başbaşa bırakıyorum.
Sevgi ve saygılarımla,

Mustafa AKGEDİK
Aladağ Belediye Başkanı
