FIP feels honoured to host the prestigious FIAP Black and White Biennial in India in 2020. I invite all countries to submit their valuable works to make the event a success.

MFIAP, ESFIAP, EFIAP/b, Hon. FIP, ARPS, Hon. FICS, FAPU
President of Organizing Committee

CLOSING DATE FOR ENTRIES: 15 MAY 2020

CONDITIONS OF PARTICIPATION

The participation in the Biennial is free and is **ONLY open for the FIAP Operational Members** which have paid their annual membership fee.

Each federation will select itself the works (the collection) it wants to present. This collection has to be coherent as well for the inspiration and the conception as for the realization and the presentation. The federation has the choice of the subject and the presentation of its works. A title for the collection is mandatory.

The works must not have been sent to any previous FIAP Biennials. The images must not have any signature, text or distinctive mark on it.

The participating works have to be in agreement with the FIAP definition of the Black and White photography (monochrome).

Definition of the black and white photography (monochrome)

A black and white work fitting from the very dark grey (black) to the very clear grey (white) is a monochrome work with the various shades of grey. A black and white work toned entirely in a single colour will remain a monochrome work able to stand in the black and white category; such a work can be reproduced in black and white in the catalogue of a salon under FIAP Patronage. On the other hand a black and white work modified by a partial toning or by the addition of one colour becomes a colour work (polychrome) to stand in the colour category; such a work requires colour reproduction in the catalogue of a salon under FIAP Patronage.

The judging of the collections is made in two steps:

- 1) the judging of each work of the collection
- 2) the global judgement of the collection

The total score of a collection is obtained thereafter by the addition of the points from the two different judgements.

Registration and image upload only via the FIAP website: <https://www.fiap.net/en/biennials>
