29TH FIAP COLOUR BIENNIAL FRANCE 2021

We are pleased to invite you to the 29th FIAP Colour Biennial which will take place in France during the first half of 2021.

We hope that many of you will participate. You are also cordially invited to the Opening Ceremony to be held on 5th June in Cognin (France, near Chambéry).

Dominique Gastaldi
President
Organising Comitee

CLOSING DATE FOR ENTRIES: JANUARY 27, 2021

CONDITIONS OF PARTICIPATION

The participation in the Biennial is free and is **ONLY open for the Operational Members** which have paid their annual membership fee.

Each federation will select itself the works (the collections) it wants to present. This collection has to be coherent as well for the inspiration and the conception as for the realization and the presentation. The federation has the choice of the subject and the presentation of its works. A title for the collection is mandatory.

All styles and creative techniques are allowed. The works must not have been sent to any previous FIAP Biennials. The images must not have any signature, text or distinctive mark on it.

The judgement of the collections is made in two steps:

- 1) the judgement of each work of the collection
- 2) the global judgement of the collection

The total score of a collection is obtained thereafter by the addition of the points from the two different judgements.

Registration and image upload only via the FIAP website:

<https://www.fiap.net/en/biennials>

With the sole act of submitting his/her images or files to a FIAP Biennial, the entrant accepts without exception and with no objection:

- that the submitted images can be investigated by FIAP to establish if these obey to FIAP regulations and definitions even if the entrant is not a member of FIAP
- that FIAP will use any means at its disposal for this undertaking
- that any refusal to cooperate with FIAP or any refusal to submit the original files as captured by the camera, or failure to provide sufficient evidence, will be sanctioned by FIAP
- that in case of sanctions following the non-compliance with FIAP regulations, the name of the entrant will be released in any form useful to inform the breaches of the rules

It is recommended to leave the EXIF data in the submitted files intact in order to ease eventual investigations.

A declaration of consent and responsibility for images form will be provided. No entry will be accepted without the corresponding form signed by the person representing the participating Operational Member.
